6th Annual Teen/Young Adult Provider Gathering *2009 Focus: Teens and Trauma*

This year's event will include:

- 1) discussion around the link between psychological trauma and health,
- 2) how exposure to violence, including child abuse and neglect, intimate partner violence, and community violence affects youth and young adults, along with
- 3) essential components of trauma interventions when working with violence-exposed youth.

Friday March 13th, 2009

8:30am-11:00am

Featured Presenter

Joyce Dorado, Ph.D.

Assistant Clinical Professor
Child and Adolescent Services
Dept. of Psychiatry
UCSF/SFGH

Location

The Penthouse at SF Community Clinic Consortium
1550 Bryant Street San Francisco, CA 94103
Street parking is available

Objectives

This annual event provides the opportunity for adolescent health providers to:

- 1) network with other local adolescent health providers and advocates,
- 2) receive information and tools on emerging adolescent health issues, and
- 3) enjoy breakfast together.
